[Gonit Sora](#) is a multi lingual (English and Assamese) web magazine devoted to publishing well written and original articles related to science in general and mathematics in particular. [Gonit Sora](#) is an attempt to bridge the gap between classroom math teaching and real life practical and fun mathematics. We strive for the popularization of mathematics teaching and understanding at all levels. [Gonit Sora](#) is an initiative of a few students and is committed to bringing out well researched and written articles. The name is in Assamese and means 'gateway to mathematics'.
