The Indian National Mathematical Olympiad (INMO) is a prestigious Olympiad aimed at highly motivated high school students and pre college students. It is conducted all over the country in various centres. In Assam, Gauhati University is a centre. Please click [here](#) or [here](#) to get more info about the INMO.

We are grateful to *Prof.M.B.Rege* (*Contact him at* mb29rege@yahoo.co.in) for sharing with us this info.
