The MTTS Trust brings to you six online regional camps (with one in North East) on mathematical foundations for second year undergraduate students in Mathematics. About five hundred students are expected to be trained following the interactive MTTS methodology through these camps on online platforms.

There will be six Regional Camps, including one for the North East. Each camp will train about 80 students (undergraduate 2nd yr.) through 12 interactive sessions.

The Mathematics Training and Talent Search (MTTS) programme is one of the most popular and significant training programmes in India. This programme has been running since 1993 and has made an impressive impact on mathematical scene in the country.

**ELIGIBILITY:** Second year undergraduate students, who have completed one year (two semesters) of their B.Sc./B.A. programme, with Mathematics as one of their main subjects.

**DATES:** 4 - 24 October 2020

**APPLICATION TIME-FRAME:** 24 August to 8 September 2020

**APPLICATION PROCEDURE:** Apply online using the form available on the website for the regional camps: <https://mtts.org.in/programme/ofcm2020/>
