

Multiplicity Free Restrictions of Symmetric Groups: Invited Expository Article

by Gonit Sora - Sunday, June 29, 2014

<http://gonitsora.com/multiplicity-free-restrictions-symmetric-groups-invited-article/>

We are pleased to present to our readers an invited expository article titled 'Multiplicity Free Restrictions of Symmetric Groups' by [Uday Bhaskar Sharma](#) of The Institute of Mathematical Sciences (IMSc), Chennai. Uday is a Senior Research Fellow in the Mathematics Group of IMSc. He has a masters degree in pure mathematics from the University of Hyderabad. His research interests lie in representation theory.

The file can be downloaded [here](#).

We are thankful to our staff writer, Debashish Sharma for facilitating this article.
