We are delighted to announce an online science quiz, in association with [InSCIgnis](#), [Tezpur University](#) on the occasion of National Science Day 2017. The details of the quiz with rules and regulations are given below.

**Venue:** On this Website

**Dates:** 25, 26 and 27 February, 2017

**Quiz Masters:** Manjil Saikia and Salik Miskat Borbora

**Format:** Online, no sign-in necessary (see rules below)

**Prizes:** Cash prizes and gift vouchers for the first two winners

### **Rules and Regulations:**

1. The quiz is open to everyone (except the two quiz masters for obvious reasons), irrespective of age, gender and location.
2. The quiz will be held over three days (25, 26 and 27 February 2017) with a fixed set of questions each day, which will be made open at 0000 hours IST.
3. Participants will have 24 hours each to answer the questions, the details of how to answer will be explained with each set.
4. Answers after each deadline will not be counted in the total score.
5. The decision of the quiz masters will be final and binding.
