As part of the 2015 [National Mathematics Day](#) celebration, [Gyanome](#) did a conversation with [Prof. Ken Ono](#) which we share below. The opening remarks were given by [Prof. Sujatha Ramdorai](#) (advisor of Gonit Sora) and the questions were posed by Dilip D'Souza. Here, Prof. Ono speaks about his interest in [Ramanujan](#), the upcoming movie on Ramanujan based on [Robert Kanigal's](#) biography [*The Man Who Knew Infinity*](#) and much more.
