The Department of Mathematics, Gurucharan College, Silchar will organize a webinar in association with Assam Academy of Mathematics Cachar District Branch and Gonit Sora. The invited speaker for the webinar is [Prof. B. Sury](#), Professor of Mathematics, Stat-Math Unit, Indian Statistical Institute Bangalore. He will deliver his talk on "**Mathematical puzzles as an aid to introducing mathematical notions**". The abstract of his talk is given below :

*As the purported audience widely ranges from school children to PhD students as well as Teachers, I will talk about some mathematical puzzles and questions that can be stated in elementary terms and whose solutions often lead to some advanced mathematics.*

The webinar is scheduled to be held on 21st July 2020, Tuesday, from 11:45 am to 1:30 pm IST. The webinar is meant for a wide variety of audience including mathematics olympiad aspirants, B.Sc, M.Sc, Ph.D students of Mathematics/Statistics and faculty members of Mathematics/Statistics at school/college/university level. e-certificates will be provided to the participants. Interested participants can register by filling up the form [at this link](#) within 19th July 2020.

The event will also be live-streamed on our [Facebook page](#).
